Accreditation:

Colby College is accredited by the New England Commission of Higher Education, the Maine Department of Education, and the American Chemical Society.

Privacy Rights of Students:

Colby complies with the Family Educational Rights and Privacy Act of 1974, which established the right of students to inspect and review their education records and provides guidelines for the correction of inaccurate or misleading data. This transcript is released to you at the request of the student with the understanding that it will not be released to other parties without the student's written consent.

Academic Standing:

A student's class standing is determined primarily by the number of full-time semesters completed but also by credit hours. Full-time registration in regular semesters (fall and spring) is a minimum of 12 semester hours.

Prior to the class of 2005, class standing is as follows:

First-year standing: fewer than 2 semesters or fewer than 24 credit hours.

Sophomore standing: two or three semesters and 24 to 53 credit hours.

Junior standing: four or five semesters and 54 to 83 credit hours.

Senior standing: six or more semesters and 84 or more credit hours.

For the class of 2005 and after, class standing is as follows:

First-year standing: fewer than two semesters or fewer than 26 credit hours.

Sophomore standing: two or three semesters and 26 to 57 credit hours.

Junior standing: four or five semesters and 58 to 89 credit hours.

Senior standing: six or more semesters and 90 or more credit hours.

Course Numbering System:

000: January programs carrying no academic credit

100: Open to first-year students

200: Normally open to sophomore classes and above

300: Normally open to juniors and seniors

400: Normally restricted to seniors

Grade Calculation:

The grade point average is determined by dividing the number of quality points earned by the number of quality hours earned. A cumulative GPA of at least 2.0 is required for graduation.

Marking System:

Grade	Description	Grade Points
A	Excellent	4
B	Very Good to Good	3
C	Satisfactory	2
D	Minimally Acceptable	1
F	Seriously Deficient	0
Each + mark earned is .3 quality point per credit hour added. Each - mark is .3 quality point per credit hour deducted.		
CR	Credit (non-graded course)	
P	Pass (D- or higher)	
S	Satisfactory (C- or higher)	
NC	No credit (non-graded course)	
NP	Not passed (pass/fail)	
U	Unsatisfactory (Below C-)	
W	Withdrew, passing or no basis for grade	
WF	Withdrew, failing	
WN	Withdrew, not passing (pass/fail)	
WU	Withdrew unsatisfactory (satisfactory/unsatisfactory)	
I, IN	Incomplete	
AB	Absent from final exam	

The Dean's List:

Prior to fall 2006, recognition by the Dean's List requires an average of all marks in the previous semester of at least 3.20 for upperclassmen (3.00 for first-year students) in a minimum of 12 credits, exclusive of pass/fail or satisfactory/unsatisfactory credits. A student with any mark of incomplete (unless as a result of illness or critical emergency), U, or WF is not eligible for Dean's List.

For fall 2006 and after, eligibility for the Dean's List is limited to the top 30 percent of students based on semester grade point average as calculated by February 1 for the fall semester and July 1 for the spring semester. A student with a qualifying average must have earned 15 or more credits in the semester, 12 or more of which are graded credits; with no mark of I (unless for medical reason or critical emergency), U, WF, or WU; and no instance of academic dishonesty in that semester.

Latin Honors:

For students entering before fall 2006 the degree of bachelor of arts with honors is awarded in three grades: *summa cum laude* to those who attain a 3.75 grade point average; *magna cum laude* to those with a 3.50 grade point average; *cum laude* to those with a 3.25 grade point average.

For students entering in fall 2006 or later, Latin Honors are as follows: *summa cum laude* to those whose grade point averages are within the top 5 percent of the graduating class; *magna cum laude* to those within the top 10 percent; and *cum laude* to those within the top 20 percent.
